

The Bad Girl And The Bad Boy

6 0 1

Chapter 1 by Story Wars

This is a story about Cloe and Phoenix.

Cole moves to New York City and instantly has tons of friends; after all, he's the guy you automatically connect with.

But Cole only sees her.

Phoenix is popular, pretty, and basically badass. She knows everyone, but she has a really close group of friends. Cole finds himself drifting closer and closer to the group until they let him in. Eventually, Phoenix gets to know Cole and they begin dating.

That's when Phoenix shows him that to be a bad boy isn't about leather jackets and motorcycles and parties.

It's about being free.
